

## ONE DRUM LINE

The Qual Chem® One Drum Line provides operators with easy to use “plug and play” chemistry.

# Soft®

## Q SOFT®

### THE PERFECT SOLUTION TO HARD WATER ISSUES

Q Soft® is a great solution for car washes that deal with water hardness issues.

Add Q Soft® to your ready to use product to help soften the water that mixes with the soap. Q Soft® allows you to achieve good foam level and cleaning, and to use soaps economically, even in hard water.

### SOFT WATER WORKS BETTER

With soft water, the chemicals in your car wash will be much more effective!
